For over 60 years the Scituate Knights of Columbus has been focused on its principal mission – charity. It is the unifying theme that attracts outstanding men to our organization from Scituate and the other towns we serve. Please answer the following essay question to help us better understand and appreciate your past actions in helping others in need:

*****Tell us about the one charitable or selfless action that you took to assist an organization, family member, friend or stranger in need that has been the most meaningful to you and why? (Use an extra sheet of paper if needed).**

If your high school has a general scholarship information form, please attach a completed version with any other essay(s) about yourself you wish to submit, since that will provide other useful information for our scholarship committee to consider.

If your school does not have a general scholarship application form that asks for essays about yourself, please answer the following questions in essay format (attach a separate sheet):

1. What was the best day of your life thus far and why?
2. Who has been a role model for you and why?
3. Please tell us about yourself and why you feel you are deserving of this scholarship.

If there are any unusual circumstances that you would like to share with our scholarship committee, please attach your statement to this application.
