COVID-19 Addendum to Rules/Regulations

General Pool Membership

- Staff, families, and swimmers must stay home if they have tested positive for COVID-19, are showing COVID-19 symptoms, or if they have had a close contact with a person who has tested positive for or who has symptoms of COVID-19.
- Consistent and correct use of masks covering mouth and nose is expected except when you are swimming in the pool.
- Members must practice social distancing (6 feet) from anyone not within their own household/pod.
- Indoor showers will not be provided so as to allow for more space/availability for the toilets. Outdoor showers will be available, but members will not be allowed to 'hang out' in the shower area. Hand sanitizer stations will be provided.
- We will implement a separate entrance and exit to encourage social distancing.
- May need to limit the number of people allowed at the pool at one time, meaning that there may be times when you can't access the pool. We are working on a way to be equitable for all for access.
- If we end up staggering swim team practices/meets it may alter the time the pool is available for general swim.
- Snack shack will open for pre-packaged food only. All members would be required to eat ONLY in the area provided.
- Only members of the pool will be allowed at the pool – no guests.

Swim Team and Swim Lessons:

- Consistent with high school swim meets this past year, we may have to implement a virtual format. This means swimming for time and submitting the times to the opposing team to determine a winner. We do have a tentative schedule for 5 swim meets. Final decisions about league membership and meets may not be made until right before Memorial Day.
- We will not be able to have a dive team as we are not able to have practices or meets at our own facility and other facilities may not allow non-members.
- May have to stagger practice/meet times between the age levels to allow for appropriate social-distancing, to allow one group to leave before another enters the facility, and allow time for cleaning and disinfecting between groups.
- We may need to limit the number of spectators allowed during swim team practices and meets. Siblings not actively participating in the practice or meet at that time will not be allowed at the pool. Families are encouraged to have only one adult spectator to reduce the number of people on the deck.
- Encourage swimmers to come to the pool "swim-ready" as there will be no changing rooms available at the pool, and to wait in their cars with guardians until just before the beginning of a practice/meet, instead of forming a group.
- May have to limit the capacity of lessons to provide appropriate social distancing. Same limitations as swim team will apply regarding siblings and additional family members at the pool during lessons.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by participating in membership at the Scituate K of C Pool, and that such exposure or infection may result in personal injury, illness, permanent disability, and/or death to myself or my family. I understand the risk of becoming exposed to or infected by COVID-19 at a K of C Pool related-event or activity may result from the actions, omissions or negligence of myself or others, including, but not limited to, K of C officers or employees, volunteers, participants and/or spectators. I understand and voluntarily accept and assume all the foregoing risks related to COVID-19 and accept sole responsibility for any injury or illness that may occur. Further, I understand and agree that this release includes an claims based on the actions, omissions, or negligence of Scituate K of C Pool, its officers, employees, agents, vendors and representatives, whether a COVID-19 infection occurs before, during, or after participation in a K of C Pool program, related event, or activity.

The undersigned, and members of his/her family and guests, use the pool and its related facilities at their sole risk and agree for himself/herself and member of his/her family and guest to indemnify and hold harmless the Scituate Knights of Columbus Building Association, Inc., its successors, assigns, affiliates, subsidiaries, officers, directors, employees and members of and from all claims for losses, personal injuries, death or any other claim arising out of or related to the use of the pool and its related facilities. The undersigned also certifies that he/she and members of his/her immediate family agrees to abide by these and the Rules and Regulations detailed on Page 2 of the primary application.

I acknowledge the above changes to the operation and rules/regulations of the Knights of Columbus Pool and am willing to move forward with my membership for the 2021 pool season and approve full payment of required membership & team fees. I acknowledge that additional rules/regulations may be instituted at the discretion of the Knights of Columbus as directed by local Board of Health or CDC.
